

Draw all the stereoisomer of the following molecule. Label all Enantiomers, Diastereomers and Meso compounds

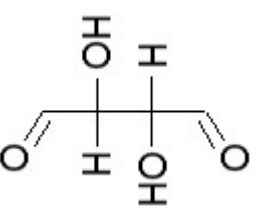

Draw all the stereoisomer of the following molecule. Label all Enantiomers, Diastereomers and Meso compounds

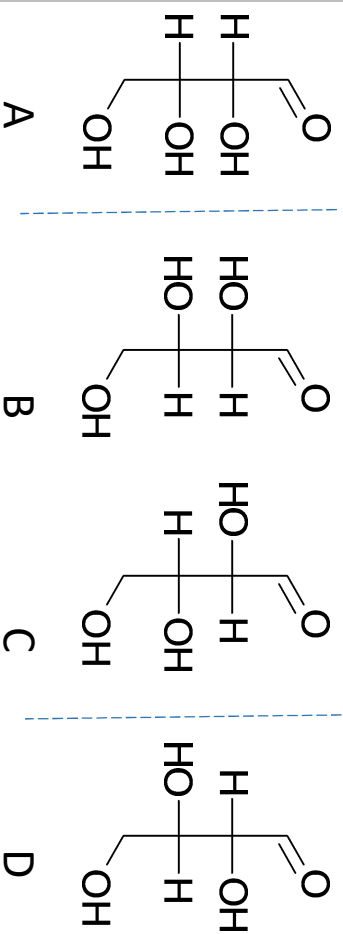

Draw all the stereoisomer of the following molecule. Label all Enantiomers, Diastereomers and Meso compounds

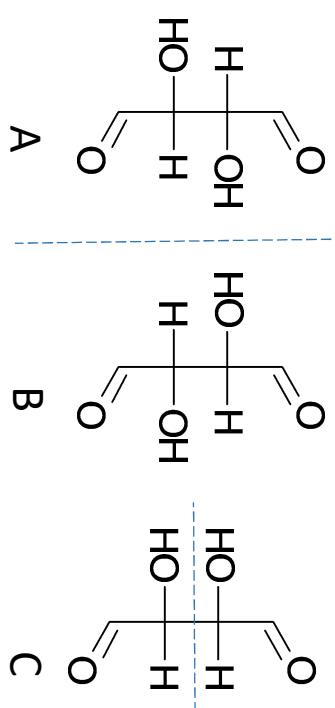

Draw all the stereoisomer of the following molecule. Label all Enantiomers, Diastereomers and Meso compounds

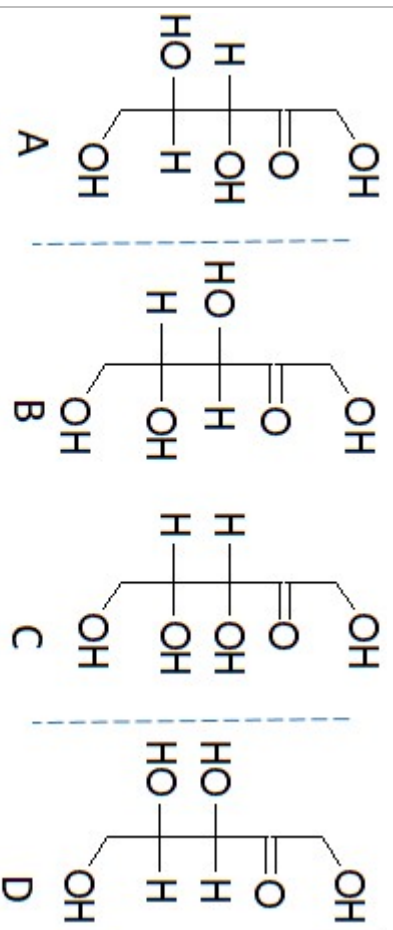

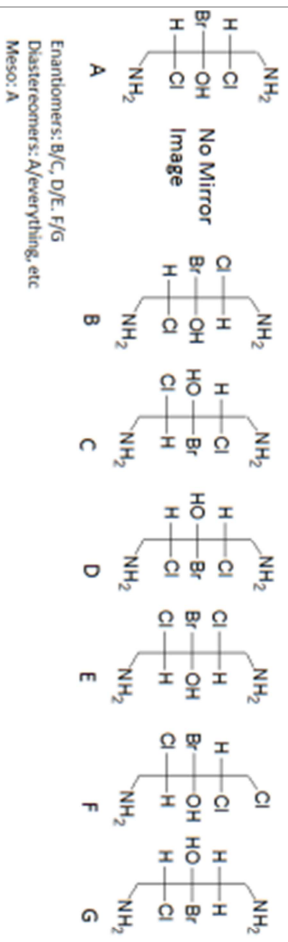

Enantiomers: A/B and C/D
 Diastereomers: A/C, A/D, B/C, B/D
 Meso: none

Enantiomers: A/B
 Diastereomers: A/C, B/C
 Meso: C

Enantiomers: A/B and C/D
 Diastereomers: A/C, A/D, B/C, B/D
 Meso: none

Enantiomers: B/C, D/E, F/G
 Diastereomers: A/everything, etc
 Meso: A
